

Child Care Food Program Child Care Centers Fact Sheet

*Vision: To be the **Healthiest State** in the Nation!*

The Child Care Food Program provides reimbursement for nutritious meals and snacks served to children in child care settings. This program is funded by the U.S. Department of Agriculture and is administered in Florida by the Department of Health, Bureau of Child Care Food Programs.

Eligibility Requirements

- All programs must be licensed by the appropriate child care licensing authority or be legally exempt from such licensure.
- Programs must be public or private nonprofit organizations, or for-profit organizations whose enrollment or licensed capacity consists of at least 25% low-income children meeting specific criteria.
- Child care centers and outside-school-hours centers may participate in the program either with a sponsor or as independent centers. Family day care home providers who participate in the Child Care Food Program must be licensed and affiliated with a sponsoring organization.

Funding

The Child Care Food Program will reimburse up to two meals and one snack or two snacks and one meal per child, per day.

- Reimbursable meals and snacks may be served to eligible children 12 years of age and younger; migrant children may be served through age 15 and children with disabilities may be served regardless of their age.
- Reimbursement is determined by the number of eligible enrolled participants who are served creditable meals, and the current reimbursement rates set by the U.S. Department of Agriculture.
- Reimbursement levels vary dependent on the income eligibility level of each child. Maximum reimbursement for FY 20-21 is \$1.89 for breakfast, \$3.75 for lunch and/or supper (includes cash-in lieu rate), and \$.96 for snack.

Record Keeping Requirements

Programs must keep attendance records, daily meal counts, menus and cost documentation to qualify for reimbursement.

Nutrition Requirements

Meals and snacks served to children must meet specific U.S. Department of Agriculture meal pattern requirements.

To qualify for reimbursement, meals and snacks must include, at a minimum, food components in amounts specified by age.

Meals must contain:

- Fluid milk
- Fruit
- Vegetable
- Grain
- Meat and meat alternates
